# Comparison of Artificial Intelligence techniques for training a Neural Network to play a game

---

Ovidiu-Andrei Radulescu  
- 40283288

Submitted in partial fulfilment of  
the requirements of Edinburgh Napier University  
for the Degree of  
BSc (Hons) Computing Science

School of Computing

September 30, 2019

### **Authorship Declaration**

I, Ovidiu-Andrei Radulescu, confirm that this dissertation and the work presented in it are my own achievement.

Where I have consulted the published work of others this is always clearly attributed;

Where I have quoted from the work of others the source is always given. With the exception of such quotations this dissertation is entirely my own work;

I have acknowledged all main sources of help;

If my research follows on from previous work or is part of a larger collaborative research project I have made clear exactly what was done by others and what I have contributed myself;

I have read and understand the penalties associated with Academic Misconduct.

I also confirm that I have obtained informed consent from all people I have involved in the work in this dissertation following the School's ethical guidelines.

<b>C Diary Sheets (or other project management evidence)</b>	<b>10</b>
<b>D Appendix 4 and following</b>	<b>10</b>

## List of Tables

## List of Figures

## **1 Introduction**

You can fill out sections as you please.

Most of the formatting is taken care for you but you can add this yourself as you please.

### **1.1 Title of subsection would go here**

Or have sections that are relevant to your main body of work above but warrant there own section. Both - with numbering would be entered into the Table of contents.

# Appendices

## **A Project Overview**

### **A.A Example sub appendices**

...

## **B Second Formal Review Output**

Insert a copy of the project review form you were given at the end of the review by the second marker

## **C Diary Sheets (or other project management evidence)**

Insert diary sheets here together with any project management plan you have

## **D Appendix 4 and following**

insert content here and for each of the other appendices, the title may be just on a page by itself, the pages of the appendices are not numbered, unless an included document such as a user manual or design document is itself pager numbered.
